PRODUCT DESCRIPTION

OKTIMA® is a creamy concentrated paste with an intense cleansing action. Suitable for use in the industrial, automotive and DIY sectors. The environmentally friendly and inert micronized scrubbing agents ensure an effective cleansing action against all types of stubborn dirt. It is formulated using natural vegetable-based soaps and sur-factants from renewable sources, as well as Aloe Vera extract. Oktima leaves hands soft and delicately scented. Dermatologically tested.

DIRECTIONS

Apply the product to your dry hands and rub them together, gradually adding water until all the dirt is dissolved. Rinse well and dry.

WARNING

Do not use the product on delicate areas (face, armpits, genitals). Keep away from the reach of children. Avoid contact with the eyes.
