### 16. OTHER INFORMATION

The data in this Cosmetic Product Information Sheet is based on current knowledge and provides guidance for safe handling, use, and disposal. As cosmetic products regulated under EC Reg. 1223/2009, they are exempt from the obligation of a Safety Data Sheet (Reg. 1907/2006 Art. 1). In addition, considering the numerous possibilities of use and possible interference with elements not dependent on the manufacturer, it is not possible to assume any responsibility regarding uses, storage methods and uses other than those indicated on the label and/or on the data sheet.

#### 16.1. Product labelling:

**CREMA LAVAMANI BIANCA FLUIDA SATURNO** is a concentrated fluid cream with high cleaning power that removes all kinds of obstinate dirt. Its formula contains natural vegetable surfactants from renewable sources and vegetable soaps. The action of the abrasive microspheres results in a deeper cleaning, while its natural emollients protect the epidermis. Leaves your hands soft and pleasantly scented.

**Directions:** Apply the product to your dry hands and rub them together, gradually adding water until all the dirt is dissolved. Rinse well and dry.

**Warning:** Do not use the product on delicate areas (face, armpits, genitals). Keep away from the reach of children. Avoid contact with eyes.
