PRODUCT DESCRIPTION

EMULGEL ORANGE is a hand cleaning gel that is suitable for removing the extra stubborn dirt that can occur in the industrial, automotive and DIY sectors. Dirt is eliminated thanks to the balanced combination of natural vegetable-based soaps and surfactants from renewable sources, together with environmentally friendly and inert micronized scrubbing agents. The product is enriched with Orange and Aloe Vera extract, leaving hands soft and delicately scented. Dermatologically tested.

DIRECTIONS

Apply the product to your dry hands and rub them together, gradually adding water until all the dirt is dissolved. Rinse well and dry.

WARNING

Do not use the product on delicate areas (face, armpits, genitals). Keep away from the reach of children. Avoid contact with the eyes.

PERIOD AFTER OPENING (PAO)
12 months.

PRODUCT STORAGE
Keep container tightly closed and dry. Do not store at temperatures below +5°C.
